

## Sealed-Bid Auction

To begin the process of emptying out the storage trailer, the Executive Board has declared the following items as surplus to the needs of the club and are offering them to the membership via sealed-bid auction. Bids must be received at or before the start of the regular club meeting on March 7, 2025. The Board will open the bids at that time. Any items that are not sold will be auctioned off during the meeting.
